

APRIL 10-16, 2022

# STD AWARENESS WEEK

Reported STDs in the U.S. reach all-time high for 6th consecutive year  
More than 2.5 million cases of chlamydia, gonorrhea, and syphilis were reported in 2019

- **Talk openly and honestly to your partner(s) and your healthcare provider about sexual health and STDs.**
- **Get tested. It's the only way to know for sure if you have an STD.**
- **If you test positive for an STD, work with your healthcare provider to get the correct treatment.**

## Get tested confidentially for STD/HIV

Scranton Primary Health Center, 425 Alder Street,  
Scranton, PA. Ph# (570-955-5524)

The Wright Center Clinic, 501 South Washington Ave,  
Scranton, PA 18505, PH# (570) 941-0630
